SECRET

Ottawa, September 8, 1958.

We agreed during our conversation on September 5 that I might write you a note concerning Erik Heine, an Estonian citizen living at 72 Normany Blvd., Toronto, who is in Canada on a non-immigrant visa. As I indicated to you, Mr. Heine has failed to pass his medical examination and further action in his case has been deferred until January 1959 at which time he will be re-examined.

You undertook to enquire from your authorities if they were interested in having an interview with Mr. Heine. I indicated that if you wished to do so we would probably suggest that this be done in collaboration with SMABLE according to the arrangements which we have made for such cases.
